Erin ♥ Bailey

Two hot blondes ready for some hot summer luvin'

We love the taste of each other's pussies. It's sweet, strong, wet and wonderfully erotic

This is our kind of beach ballin'
Hot damn!!!

Our husbands are away on business and we have an afternoon to kill.
What would you like us to do?

When the Cat's Away

I'm Rada, and an hour ago Harry left and I was bored. I called my best girlfriend Zlata, and she told me Spence was gone, too. I told her to put on her best lingerie and come over to party with me. Before I could hang up the phone, she was over here and kissing me up. We had the day all to ourselves and wasted no time in getting it on. Her body is soft and her boobs and nipples are beautiful. I'm so jealous of Spence because he gets to play with these all the time. But today she's mine and we're going to make the most of it.

Shannon

golden girl

When confronted with a creature like this words cannot do her justice. Oh lucky man!

Not much to say, is there? Shannon leaves us quite speechless, also. It probably took you twenty minutes or more just to get to this page. Now go back to the beginning and do it again. You know you want to.

I was born in Russia and moved to the United States to pursue my modeling career.
My parents told me that we were related to Russian royalty.
Maybe not the best of it, but royalty nonetheless.
I left that all behind when I met my husband on one of my shoots.

Princess Tatiana

GREAT, GREAT, GREAT, GREAT GRANDDAUGHTER
OF IVAN THE TERRIBLE. OR SO SHE SAYS…

I like rough sex with all the hair pulling and butt slapping. My husband thinks I'm a little too wild for him so he let's me have girlfriends that I can sleep with. I like that. And he likes that too because I share them with him. We think it makes our marriage stronger, healthier and sexier!

One special time I invited two girlfriends to join us, It was for his thirtieth birthday. What was great about it is while one was doing him, I had one all for myself. He said it was the best birthday present ever!

One year later I'm separated from my husband. He wanted to go be a farmer while I was a city girl. He gets up at 4 in the morning. I don't go to bed till 4 in the morning. Now he's happy taking out the cows while I'm happy going out with my girlfriends.

Europe Dichan

Between heaving mounds of flesh, our expedition begins at the twin peaks and seeks the valley of pleasure.

Men love my body, but it's not just to look at...

I want you to imagine your nice, big hard cock pushed right up against my breasts. I would squeeze them together and rub them up and down your cock until you couldn't take it anymore. Then, I'd grab it and lick it all around. But that just wouldn't be enough, now would it?

My body is a wonderland. Take a trip.

I want to suck your cock as you suck on my pussy. I love it when you stick your fingers inside and wiggle them around. It makes my insides go soft and I melt into my orgasm.

Sunday Afternoon

TEN TIPS TO KEEP YOUR MAN AWAY FROM THE FOOTBALL GAMES ON TV

1. TELL HIM HIS ZIPPER IS BROKEN AND YOU CAN FIX IT WITH YOUR TEETH.

2. SHOW HIM THE SPOT ON THE CEILING WHERE YOU WANT TO PUT THE MIRROR.

3. TELL HIM THERE'S A LEOPARD IN THE BEDROOM AND IT SCARES YOU.

4. SQUAT DOWN IN FRONT OF HIM AND TELL HIM YOU LOST A QUARTER WHERE HE IS SITTING.

5. SUGGEST THAT YOU BOUGHT HIM A NEW BOY TOY AND HE HAS TO LOOK FOR IT RIGHT NOW.

6. HAVE YOUR MOTHER-IN-LAW CALL HIM AND TELL HIM HE WILL RUIN HIS EYESIGHT BY WATCHING TOO MUCH TV.

7. TELL HIM YOU WANT TO GET A TATTOO OR PIERCING AND NEED HELP DECIDING WHERE IT SHOULD GO.

8. TELL HIM YOU AND YOUR GIRLFRIEND HAVE BEEN TALKING ABOUT TRYING A THREE-WAY.

9. TELL HIM YOU ONLY HAVE TWO HOURS TO LIVE AND WANT TO MAKE LOVE ONE LAST TIME.

10. TELL HIM THE PRODUCERS OF A TV REALITY SHOW WANT TO PUT 16 CAMERAS IN YOUR HOUSE - 24/7.

Rachel Rocks

25 years ago I was a push over for rock-n-roll stars. I fucked and sucked as many as my twenty year-old body could take. I would blow them before the show. I would give bjs during their break. And after the show, watch out, me and my girlfriends went crazy with those guys. We would play with each other for the guys, kissing each other, sucking nipples and once in a while going down on each other. Occasionally the guys would join us, but mostly they liked to watch us girls.

I once had sex with two groupies on the road bus. We got started before the concert ended and when the guys got to the bus we had already finished each other. But we saved enough for them.

Now, I'm married to a rock-n-roller and we still have wild sex – and I still like to bring in my girlfriends to spice things up. We enjoy the three-ways; watching him fuck another girl and have him watch me do them, too. And I'm sure they like to watch us fuck because none has ever complained and they all keep cumming back for more!!!

Foreign sExchange Student

I'm Sylvie. I live in suburban New Jersey with my husband. Our kids have grown up and gone off to college. We decided we wanted to sponsor a foreign exchange studet this year. Jannicke was our first choice.

I'm Jannicke from Sweden. I come to America to continue my studies in pshyciatry. Sylvie and her husband have been very good to me and I want to express my appreciation to them. Especially Sylvie.

Nine months ago, my husband – Bernie and I decided to sponsor a college level foreign exchange student. Our own children had gone away to college and we just couldn't get over the emptiness in the house. After much discourse, we contacted an agency with our request – a female, preferably from a Scandinavian country, because of our heritage. Within a month we were contacted with a choice of five young women and we selected Jannicke, the psychiatry student. She seemed very nice in her pictures and the bio said she was respectful, a good student and a hard worker.

Six months ago Jannicke arrives at our door with the agent and a bunch of suitcases. We invite them in and sign the final paperwork with the agent. Jannicke is twenty and speaks English pretty well so we didn't have a problem communicating with her. The agent left and the three of us sat down for dinner. She said she had a long trip and would like to retire soon. After dinner we took her up to our daughter's empty room and left her alone to get comfortable. In the morning Jannicke came downstairs to the kitchen and said good morning. Since it was a Wednesday, Bernie had gone to work so it was just she and I. Over coffee she told me more about herself, her family and her schooling.

She was anxious to start school here in New Jersey. We chatted throughout the day as I helped her unpack and get her things in order. Bernie came home for supper and they got more acquainted. Last week Jannicke came home from class and looked exhausted. I asked why she felt so tired and she said she had stayed up most of the night studying and thought she didn't do very well on the test. I consoled her as best I could and suggested that she go to bed and rest. We had dinner and she went upstairs without wanting dessert. The next day Bernie was off to work as usual and Jannicke stayed home because she had no classes. This was the first time she and I had really been alone since she came six months ago. Everyone had been busy doing their thing during the week and on the weekends, when she wasn't studying, we would take her into New York City or travel around so she could see our little corner of America.

Jannicke asked if we could go shopping for some new clothes for her. She felt she needed a couple pieces of new underwear for the spring. We found Victoria's Secret and she was in underwear wonderland. Jannicke said she had heard of the store but it was too far away for her to go. I let her indulge in the satins and silks. She picked out a few things to try on and we checked out with a few bras and panties. Back at home she wanted to try on her new purchases and show them to me. I sat on the edge of the bed and she went into the bathroom to change. She looked great and the clothes were a perfect fit. I complimented her on her choices and she giggled like a schoolgirl.

All of a sudden her attitude changes. She looks at and starts to undo her bra clasp. I momentarily feel awkward and start to get up to leave. She says that I should stay and drops her bra to the floor. She rubs her breasts and asks if I would like to feel them. I say “NO!” but she says that they feel nice and firm and she would like me to touch them. By now I’m dumbfounded and don’t know what to do. It’s still a couple hours before Bernie comes home so I’m stuck. Jannicke tells me to relax. “I know you’re nervous but I found you very attractive the first time I saw you,” she says. I tell her I’m old enough to be her mother. That I AM a mother. “That’s okay with me,” she says. “I like you a lot and I want you.” “Jannicke, I don’t think this is right,“ I say. “But it can be. Don’t you like me?” she asks. “You know I do. You’re like a daughter to me,” I say. “I can be much more if you let me.” She says.

My head is spinning. I have never been with a woman before. She is so very attractive now that I begin to look at her like that. I feel my resistance to her breaking down. She comes over to me and kisses me softly on my cheek and moves her face around to my kiss my lips. I find myself responding to her kiss and it feels warm inside. Jannicke takes my hand and raises it to her breast. I cup her boob and raise my other hand to her other one. I cannot believe I am doing this. I don’t know how to love a woman, but I find my face drifting down her neck to kiss her breasts. My lips replace my hands as I gently but eagerly suck on her nipples. She pulls my head tighter to her boobs as I move from one to the other. They are perfect 34 Cs with full areolas and great nipples. I reposition myself, breaking contact with her breasts, so she takes advantage of it to pull her panties off. She moves in to undo my blouse but I tell her I was could not let her do that. She said she understood, but would I just do her. She has been away from home and did not like any of the boys or girls at her college. I felt a bit sorry for her plight so that made it easier for me when she came closer to me and sat on the bed next to me.

I’m laying naked on the bed and she is licking me. I have to close my eyes because I can’t believe I’m in a lesbian love scene with a twenty year old Swedish student.

She said we should hurry because my husband would be home soon. I laughingly scolded her to stay away from him. She said she would because I was the one she wanted. As she lay back, she grabs my collar and pulls me down with her so my face ends up in her crotch. I say softly I’ve never done this before and don’t know what to do. She laughed and said to do just what comes naturally and to think about what your husband does to you. My sex life with Bernie has improved ever since the kids left for college. We have the house to ourselves and don’t have to sneak off or do it late at night when the were asleep. Bernie doesn’t give the best head, but he is always eager enough to try and please me. So I start by licking around her labia, finding my way to her clit she grunts and tightens her legs around my head. I do the best I can in the tight space.

Her thighs loosen and I reach in and open her lips so I can go in deeper. My tongue penetrates her hole and she arches her back to meet my motion. Even though it's only been a few minutes, I think I'm getting the hang of it. There's a familiarity to her genitalia from being a woman, so I know how much pressure to apply and what to do with my tongue.

Jannicke reaches down to open her lips and I find her clit again, It is poking out and she begins to rub it as I lick lower down her opening. She lifts her butt up offering her butthole to me but for some reason I just couldn't go there. I did, however, insert my fingers into her pussy as she kept rubbing her clit. I started with one, then two, then four, leaving my thumb outside for leverage. She moaned louder as I found my fingers fucking her harder and harder. After a few minutes she screamed out in a frustration-releasing orgasm that I was taken aback by it a bit. Nonetheless, I helped finish and gave her wet pussy a little you're welcome kiss. Jannicke falls back on the bed and smiles at me.

As I get up to straighten myself out, she reaches into her school backpack and pulls out a clear plastic double dong. I can't believe my eyes. She's come 8,000 miles for this. Is this what she's learning in America. I am thinking about scolding her again. Jannicke comes over to where I'm standing and starts to unbutton my blouse. I was so hot and frustrated from our previous session that I let her do it. And then my pants came off. She makes me lie back on the bed and puts one end into my mouth. I really don't care for the taste of plastic, but this was scented strawberry and I didn't mind it.

I'm laying naked on the bed and she is licking me. I have to close my eyes because I can't believe I'm in a lesbian love scene with a twenty year old Swedish student. I open my eyes and look down at this blonde head between my legs. The sensations of her tongue and fingers on my pussy are overwhelming. Jannicke reaches for the dong and inserts the tip into my pussy. It almost feels like the real thing, except it is bigger than Bernie. My body shudders at its penetration. I look at her and she has positioned herself between my legs and is putting the other end into her. I sense our time is running out so I begin to pump it furiously, and she does, too. Our rhythm is perfect and within minutes we both cum. And it is great! She tells me how nice that was. Did I like doing it? I confessed that I did even though I didn't think it was right. She said that she wouldn't let it happen again. I told her to be sure that it didn't – with a big wink. Fifteen minutes later Bernie comes home and I go to the kitchen to start dinner. I hear them in the living room talking about their day. A half hour later I say dinner is served. We finish and I offer dessert. Jannicke – with a big wink – passes, saying she had hers earlier.

Jannicke reaches for the dong and inserts the tip into my pussy. It almost feels like the real thing, except it is bigger than my husband. My body shudders at its penetration.

I LOVE MY WIFE – AND HER SISTER

My wife is a special lady and I just had to write to you about her. I tried to get us onto The Oprah Show but they didn't want to hear it. Just because we had a little three-way.

It all started when I had an accident at work and was sent home for the day. My wife couldn't pick me up so she asked her sister to come and get me. She takes me home and helps me up the stairs. I hobble over to the sofa and she calls my wife. She tells her to please stay and make me as comfortable as she can. That she was leaving work early to come home and take care of me. The sister puts my leg up on the ottoman and I lean back on the sofa feeling the pain. It was not a serious injury, but just enough to get sent home. After an hour of small talk, my wife arrives and she checks out my foot. She's a registered nurse and so she gets refreshes the ice pack and asks if there are any other pains. I jokingly say only the one in my pants. She rubs my crotch as is to search for it and I start to get hard right there in front of both of them. Her sister reaches over and unzips my pants saying that we need to take a closer look at the "ouchie." I felt they were making fun of me, but I wasn't about to stop them. Now, both women are on their knees on either side of me – one pulling my cock out as the other undoes my belt and pulls down my pants. I start to mumble that I'm fine, but the words get stuck in my throat and I'm glad they did. My wife starts licking me while her sister holds the shaft. Then she pushes my wife's head away and takes over. I can't believe what I'm seeing. Two hot chicks sucking on my dick. Now I'm going to spare you the gory details from here on, but needless to say I called in sick the next day.

A WALK ON THE WILD SIDE

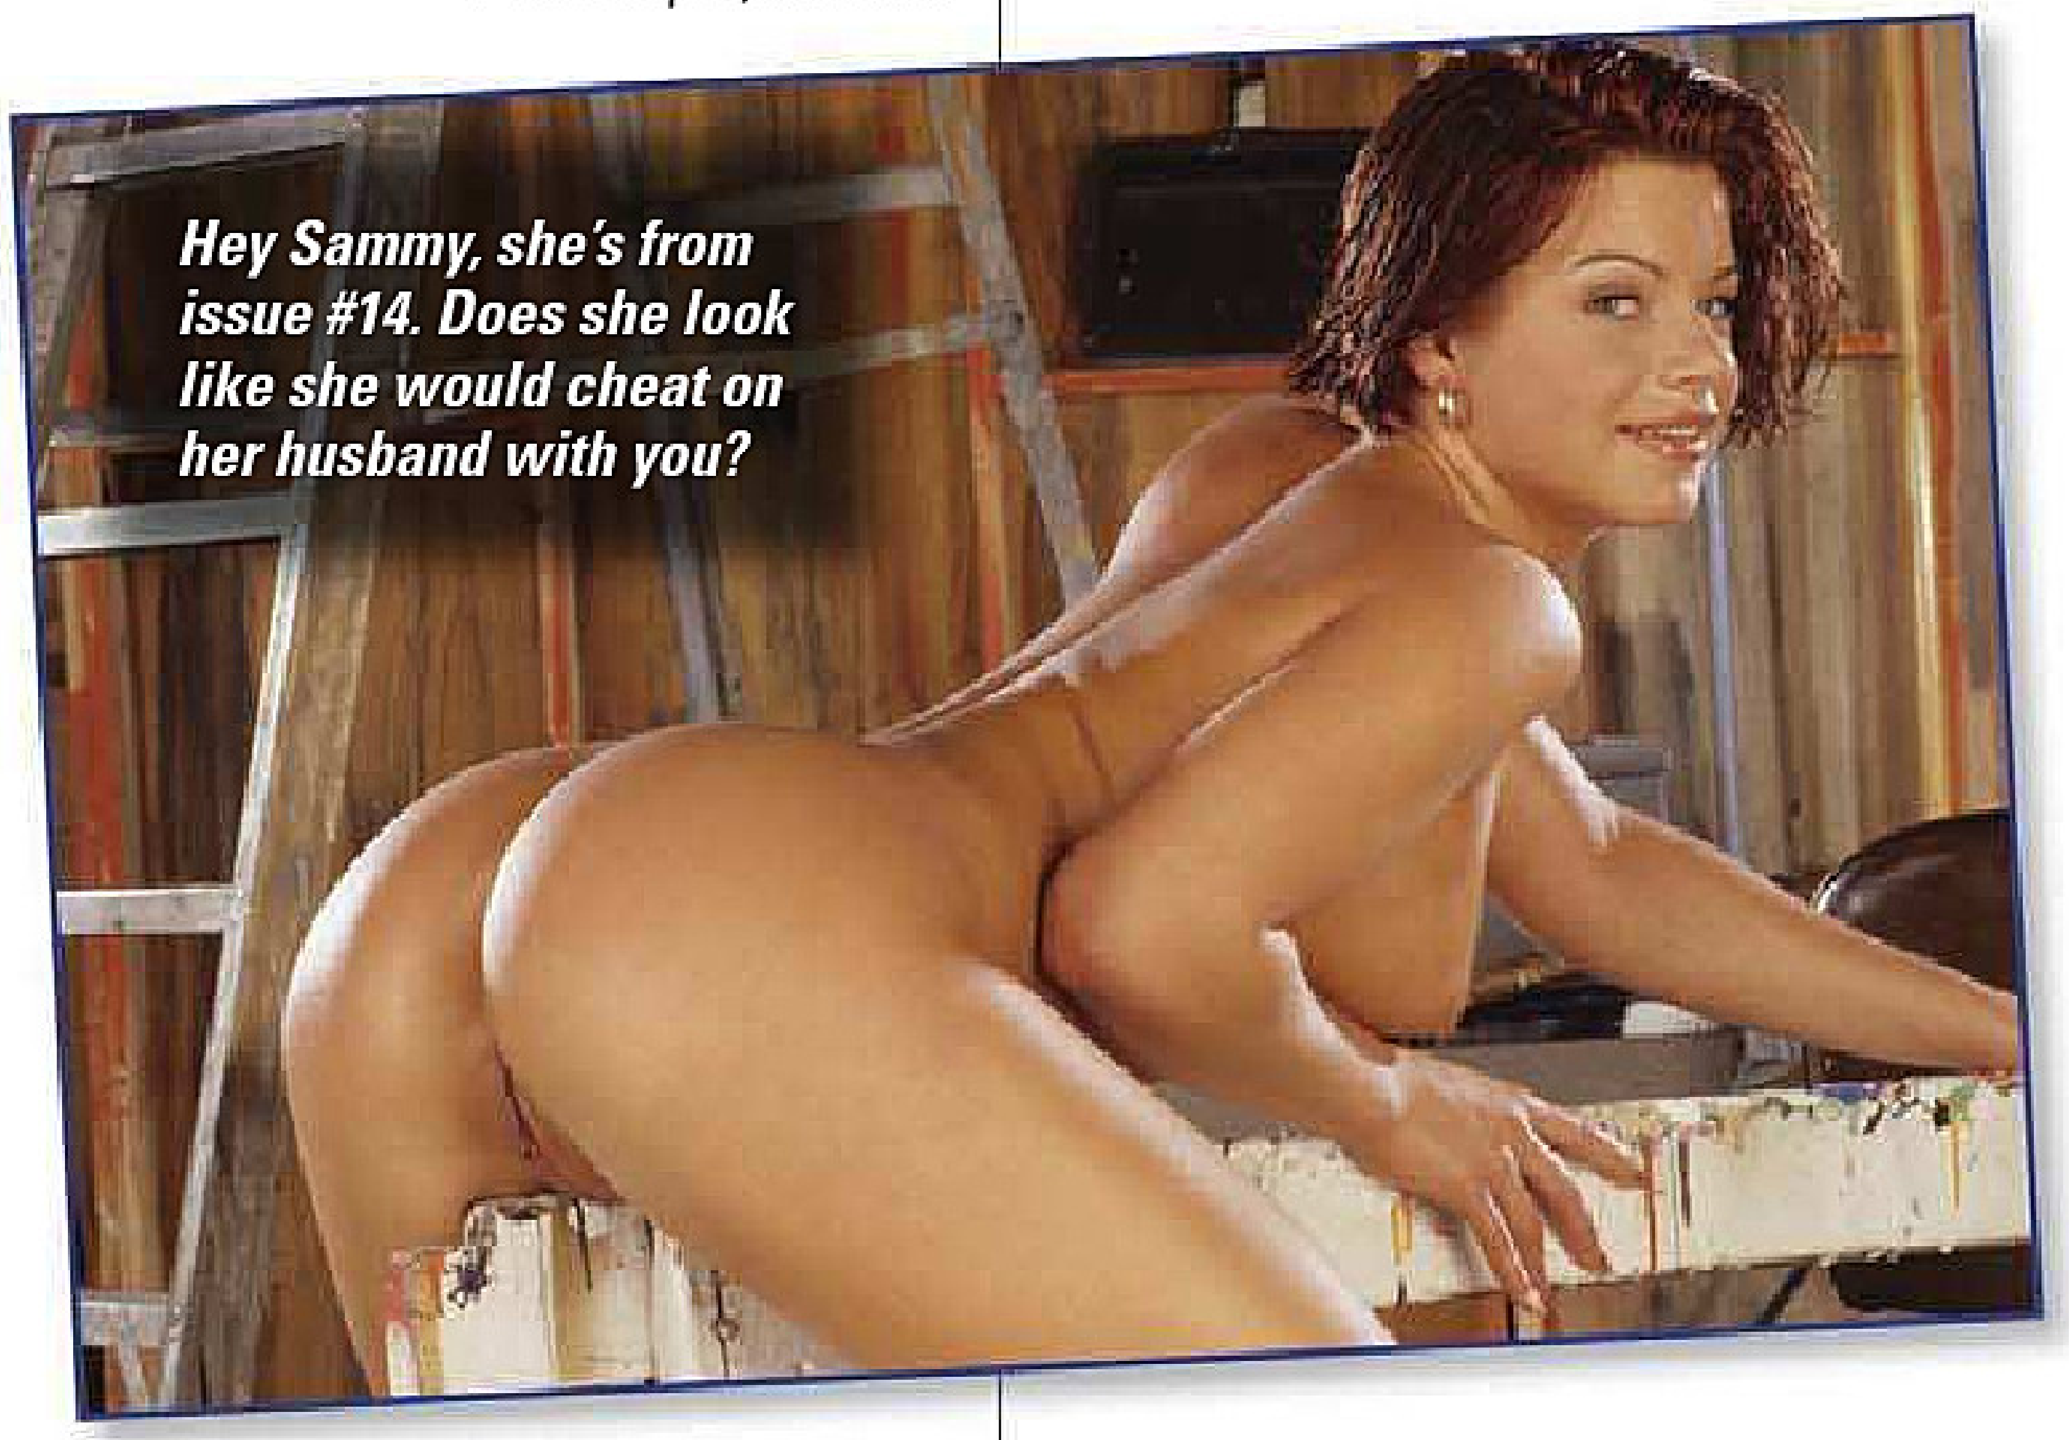
I have something to say to all you divorcées out there who is looking to get laid again. I was in a terrible marriage. No love. No romance. And no sex! My husband and I hadn't made love in nearly five years. With his busy schedule and my apathy we went through our lives as virtual zombies. One day, before he left for work, he told me he wanted a divorce. I was stunned but not really surprised. With that he left for work without saying another word. I felt my life about to crumble. What was I to do. I thought long and hard about it and decided I was going to fight for us. I thought, no, I hoped, that sex could change his mind; and probably change our relationship for the better. The long day came to an end when he came home. Sullen and quiet, I saw him sit at the kitchen table and put his head in his hands. I came into the kitchen wearing nothing but an apron. I told him I was going to cook a last dinner for him. I think that may have changed his attitude. He seemed to perk up a bit as I walked over to the oven with my butt poking out the back of the apron. He stood up and walked over to me, put his hands around me and untied the apron strings. We kissed passionately, like we hadn't done for years, and had wild erotic sex right there in the kitchen. This was on a Friday and we fucked each other in every room in the house for the next two days. He left for work on Monday morning, very tired, but with no thoughts about a divorce. Just goes to show that if you can put your pussy into it, you can do anything.

– Penelope, Miami

OLD FLAMES NEVER DIE

I recently saw my old high school girlfriend at a baseball game in our home town. I was getting a beer at the concessions and noticed her in the line next to mine. We were quite an item ten years ago but drifted apart after going to different colleges. I went over to say hi after getting my beer and she looked surprised to see me. I asked how she was doing and she said fine because she had just gotten married and was in love again. I asked what she meant by again and she said she was in love with me, even through the years after we split. Man did that make me feel good, and bad. We talked a little longer and then went back to our seats. Why am I writing this letter to you? I remember reading a similar letter in your magazine a few issues back where the guy and the girl reunite at their class reunion. I'm going to call her again and try to find out how happily married she is. And if she's not, I'm going to try and get her back. That letter has given me the initiative to try. If I succeed, I'll write to you again and let you know what happened.

– Eric, Los Angeles



Hey Sammy, she's from issue #14. Does she look like she would cheat on her husband with you?

UNWEDDED BLISS

I'm twenty three and I just bough an issue of Wild Wives. I can't believe the girls in the pictures are all married. None are wearing wedding rings, unless their all cheating on their husbands. While I would do any of them in a heartbeat , I wouldn't want the baggage that comes along with them. If any of them just wanna fuck, you got my number!

– Sammy, the Bronx

To our Max MILF readers: We don't usually devote an entire letters column to just one letter. A friend of a staffer recounted her story in a letter that we found touching, thoughtful and highly erotic, all at the same time. We hope you do, too. – the editors.

Last July I took my family to the state fair in Ohio. We're from small town outside Columbus and we did this every year. Unfortunately, my husband was out of the country for his job, but since this is a yearly affair, I took my three boys and headed out. The boys are all over 18 and they have grown up with it. They showed cattle as part of their 4H experience and now they wanted to come back as visitors. After we got onto the grounds, we separated. They went their way to the games and I went off to the exhibits with the understanding that we would meet for lunch by the turkey leg stall. I watched as they walked away thinking about how they were smaller and how much they always looked forward to this. I worked my way through the maze of people to the stalls selling everything under the sun. As I browsed the goods offered by the vendors looking for some T-shirts for my nieces and nephews. After I found some, I headed over to the animal exhibits, my favorite part of the fair.

I know this area almost as well as I know my own home. I headed for the breeding bulls because our friend Gary was the best bull breeder in the state. His bulls fathered many of our calves that the boys would show at the fair. I went behind the exhibit stall and found Gary with one of his handlers. They were hanging last year's Best of Show ribbon on Simon, their prize bull. Simon was a spectacle. He stood almost 7 feet at the shoulder with big broad shoulders and cold steely eyes. I gently maneuvered around him and said hello to Gary. He smiled back and stepped away from the bull to give me a hug. It has been at least a year since we say each other. He asked where Stan, my husband, was and I told him he was out the country till September. They were business partners many years ago and Gary has always had a crush on me since then. We've kinda flirt when we see each other at the fair every year, but now I'm here without Stan. "How are the boys?" he asks. They're all here, " I tell him. "We're meeting at Tom's turkey legs for lunch in an hour or so. "

The handlers, finish prepping the bull with his ribbons and sashes and lead him out of the holding pen towards the exhibition stalls.. Gary and I watch them leave as I compliment him on his bovine. He tells me that Simon has been very busy, showing all around the country and asks if I want to see some of the articles and photos. We walked the fifty feet to his trailer and step inside. On the walls were hundreds of photos and clippings of his state fair winnings and events. He walks to the middle of the trailer to the small kitchenette and offers me some coffee. I accepted and sat down. He hands me a hot steaming cup and sits across from me pointing out Simon here and Simon there and Simon there.

As we reminisce about the past he begins to flirt with me and without even thinking, flirt right back. He tells me that his wife died two years ago and how Simon is his entire world. I started to feel sorry for him. Her this big strapping man whose only life is a 1,50 pound beast. After a long silence, he says he wants to show me a statue he had made of Simon in the back room of the trailer. We head back to what appears to be his sleeping quarters. The unmade bed takes up most of the floor pace and at the top of the bed area is a small niche where a foot long brass statue of Simon stands in a proud bull poise with flared nostrils and feet stampeding. He crawls across the bed to get it so I can see it better and heads back. We sit on the edge of the bed and look at it. I tell him it's very pice. Nice and powerful and it suits both the bull and him.

We make more small talk sitting there, Simon between us with Gary's hand over the bull's back. He gets melancholy and starts pouring out about his loss and the loneliness of the road. I tell hi that I truly feel for him and touch his hand. He begins to cry softly and I move my hand to under his chin, lifting it and puling his gaze to me. The tears are touching me deeply and I *continued next page...*

Letters to the editor

We have some satisfied readers, and some not so much, but all are welcome to let us know what they think!

lean in to hug him. As we hug, I rub his back and he begins to tighten his grip on me. It's been four months that my husband has been away and another two months before he returns so I too am feeling a sense of loss. Loss of companionship. Loss of intimacy. We pull back from each other and he leans in to kiss me. I'm embarrassed, frightened and excited at the same time. I'm thinking that I have to meet the kids in half an hour and I cannot be doing this. When our lips meet, I lose all sense of what I was just thinking as I return his kiss, My body fills with a warm tingling I used to know. At first the kiss is light and soft, then his tongue flicks over my lips and then he presses his lips hard onto mine probing with his warm moist tongue. My lips part to accept it, but my teeth do not – for very long.

With his right arm he gently pulls me down on my back onto the bed, his arm still under my neck. I feel his hands begin to travel across my body. He rubs my thighs and finds my V on their way up. I instinctively close my legs but his persistence slowly opens them. He is rubbing me over my pants and I now want them off. I want to feel his fingers caressing my clit. I want his fingers to probe my cunt and find it wet. We are still kissing and I am pulling him closer, lost in the moment. His hand begins to unbutton my blouse and I adjust to loosen the fabric. He finds my breasts and pinches the nipples making me moan and flinch. My belt and zipper are next and I let him proceed. I'm now reaching down to his crotch and feel his hardness through his jeans. It is straining to be released so I undo his zipper and reach inside. His cock is like a rock and pushes it's way out. The head is throbbing as I rub my fingers on it.

Gary screams as he cums and shoots his load six feet onto the bed – hitting his Simon statue in the process. We both look at that and begin to laugh.

Gary stops everything to get up and undo his shirt and pants. He rips his shirt off and drops his jeans to his ankles, gathered around his boots. He is standing at the foot of the bed; his cock pointing straight at me. He reaches down and grabs my legs and swings them onto the bed. My body rotates ninety degrees to be parallel with the edge of the bed and right in front of his cock. I reach up and grab it pulling it into my mouth. I start with the underside and work my tongue up and down the shaft. I reach behind his butt with my hand and pull him closer. He reaches over to my pants and pulls them down to my knees. I wiggle my legs so my pants go below my knees so I can open them. His fingers find my clit and I bite his cock from the tingle he gave me. I'm trying my best to accommodate his cock but it is huge and I can only get the head and a couple inches into my mouth. I grab his cock and push it against his stomach so I can lick his balls. They are musky sweet but I find it is turning me on even more. I coax him into a sixty-nine by pulling his arm down so his body has to follow. He waddles to the side of the bed, gets up on his knees and lowers himself down over me, putting his cock into my mouth and landing his face on my pussy. I gobble him up as he spreads my pussy lips and begins to lick me. I feel his three-day beard on my belly and his soft wet tongue on my clit. I'm dripping wet so he easily slides a finger, then two, into me. I arch up and gag on his big cock. He backs off but I grab his butt cheeks and pull him right back into me. We lick and suck each other, his tongue working my clit and his cock fucking my mouth. I mutter that I'm about to cum and he quickens the pace as I shudder and buck as he drives his cock deep into my mouth. I tell him to get off and fuck me. He gets on his knees, still bound at the ankles as I pull my pants completely off. He stands up on the floor and I swing my legs over the edge of the bed and open them wide, ready for his cock. He grabs my legs and pulls me into it. My pussy screams at the intrusion but he quickly stuffs his cock inside to silence it. I feel it deep in me and it hurts so good, I raise my hips to meet his thrusts and it hurts so good.

Gary pushes my legs together near his face and turns them down so I spin on his cock. I end up face down and he is still fucking me, grabbing my hips and fucking me like a cowboy on a bronco. I feel his rhythm and rock back and forth on his rod until I feel him getting even harder as he's about to cum. I grab his cock and pull it out, pointing it onto the bed. Gary screams as he cums and shoots his load six feet onto the bed – hitting his Simon statue in the process. We both look at that and begin to laugh. He collapses on the bed and I sit up pulling on my clothes. I look back and ask if he feels better. He only smiles. I excuse myself saying I have to meet the boys for lunch and he says okay. On my way across the fairgrounds I think about what has just happened. Was I a tramp? Was I an adulterer? Was I fucked hard enough. Was I wanting to do it again? "Hi mom!" I heard voices from behind. "Hi boys, are you having a good time?" "Yeah mom, it's great. Are you?" "Yes boys. It was great!"

WOMEN

MATURE WOMAN

Hi, I'm a bored, blond suburban housewife who's oversexed and over stacked. My husband just can't satisfy me. He doesn't understand that a 40-something woman has lots more experience than these young bitches. Our bodies are at their highest sexual peek and we want a hard cock right now! My measurements are 38DD-25-36 and my ass is as tight as a drum. I'm looking for a stud to get me off. Can you handle that? I do everything, BJs, anal, threesomes, fetish, role playing, around-the-world - anything goes! You name your sexual kick and I'm the woman who'll satisfy you. Dare to be bad with me. Write me now. Seductively yours,
Barbara B., Wilmington, DE.

30-SOMETHING SLUT

Hi, I'm not a 20-something anymore but my body still rocks and I'm more horny than ever. I need men who appreciate a girl when she starts to mature. My pussy still gets wet at the very touch of a man (or a woman). It makes me nuts that guys don't get it that we blow these young bitches away. We know how to please with our mouths, and even anally so give me a try. I like real dirty talk.
Don't delay. Julie P., Los Angeles, CA.

LONELY

My husband left me for a 19 year-old slut last year and I want to get back at him badly by having sex with as many men as I can. That means you! I'm a very attractive woman in her mid 40s with dark hair. I'm half Latin and half German so I have a great, exotic look. My body is very good for a woman with two kids. Still an hourglass figure. Long legsv and tight buns (I work out regularly). I haven't had a lot of sexual experience but I'm open (wide open). Please send a nice intro letter first.
Maria, Houston, TX.

MEN

YOUNG MAN WANTS MOM

OK, so I'm only 18 but I love older chicks. I had this thing for my best friend's mom forever. She's so fucking hot! She wears those black seam stockings and tight ass dresses and just drives me wild. I want a woman like that with big tits and a big ass. No young cheerleader bitches. Just mature sex-starved women who want a young stud to fuck them all night long. I can do it. I also eat pussy. Send your letter to: Bud, Portland, OR.

HANDSOME STUD SICK OF POSERS

I'm sick and tired of chicks who want nothing but guys with money. I want an older MILF or cougar who will be thankful when I do her all night long. Don't ask me about how much fucking money I make, just as me how big my dick is or how long is my tongue because that's what I'm going to use on you. And you better thank me once I cum in your mouth.
Billy, Tacoma, WA.

NEW YORKER

Yo, old bitches. I don't care how old you are – 30, 40, 50, even 60. I'll do any woman who puts out. But you gotta do whatever I tell you to do, OK? So be prepared if it's really weird shit. Don't write to me if you don't want to do really crazy stuff and sex that you only read about in magazines like this. I'm the real deal. I have had se with at least 500 babes here in Brooklyn alone and that's not even counting Manhattan. I go to clubs there and find women your age all the time. So why am I writing to this magazine? Because I want more, OK? I'm handsome and work in law enforcement. Tell me how you look. No ugly chicks. If you're over 50 you better be in good shape. No saggy tits or asses. Mario, Brooklyn, NY.

NEEDS EXPERIENCE

I need an experienced woman to teach me about sex. I've only experienced kissing. Once I put my finger in a girl's hole but that's it. I need a woman who knows how to teach a young guy. Can you help me? I jerk off two or three times a day and always think of my teachers and female bosses (who are older) so please make sure you're like the women in this magazine. Oh, and I like those big white panties and big white bras for you to wear.
Clive, Chicago, IL.
